Your participation as a sponsor of the Team AZ Stars 2011 Golf Tournament will help with our continued Youth Leadership/Educational program. Through this program our youth not only learn the basics of basketball but also have an opportunity when traveling out-of-state to visit Universities. Our off court training include SAT/ACT prep, self esteem classes, organizational training, and character building, just to name a few. Each participant **must** maintain a minimum of a “C” average in school in order to participate. This program, we feel, has had a tremendous impact on our players and opens doors for their higher education opportunities. Again thank you for your consideration in sponsoring our golf tournament and investing in our youth.

Team AZ Stars is a 501C3 so all your donations and sponsorships are tax deductible.
